## Caring

In today's world there are many pressures and concerns. Sometimes we can cope with them ourselves. However, other times we learn that our problems are too difficult for us to handle on our own.

## Competent

Family Services is here to help by providing professional counseling which eases the way toward the resolution of problems.

A subsidiary organization of Boys and Girls Home and Family Services, Family Services is a non-profit agency which provides mental health services to the Siouxland community. At the heart of the organization are professional counselors, therapists and psychiatrist trained to assist individuals of all ages, couples, and families.

Family Services accepts most major Insurances. Private pay arrangements available. You may also be eligible for an adjusted fee based on your gross annual income and number of family members.

# Our Mission

**To improve the lives of children and families.**

Independently, or in partnership with public and private entities, the agency brings innovative but practical approaches to identifying and addressing individual and community concerns.
